

The
I N N O L E C
L E C T U R E S H I P

invites you to special lectures:

Dr. Katja FRICKE

Leibniz Institute for Plasma Science and Technology
(INP Greifswald), GERMANY

Wed 11.10. 2017, 10:00 – 12:00 Dean's Conference Room (Building 1):

Creating Biointerfaces - Plasma modified surfaces for tailoring cell-surface interactions

Thu 12.10. 2017, 11.00 – 12.00 F1 Lecture Room (Building 6)

**Atmospheric Pressure Plasma-based generation of antimicrobial surface properties
- Deposition of copper films and release coatings**

FACULTY OF SCIENCE, MASARYK UNIVERSITY, KOTLARSKA 2, BRNO
